Attn: Guidance Counselor;

Grant-Roberts Rural Water System will again be awarding two (2) \$500.00 scholarships (one boy and one girl) on Monday, March 16, 2020 at our Annual Meeting.

Listed on the scholarship form are the requirements to be eligible to receive this award (please make as many copies as are needed). The main requirement is that the applicants' parent or guardian must be a member of Grant-Roberts Rural Water System and the recipient must use the money for post-secondary education costs at an accredited college, university or technical school during the 2020-2021 school years. If the recipient does not wish to further his/her education, the scholarship would then go to the alternate.

Have the applicants remit application to:
